

Bartender

We are looking for an enthusiastic bartender to provide an excellent guest drinking experience. Great candidates must be friendly, empathetic and outgoing, as well as having a customer-oriented approach to their shift. They must be able to create classic and innovative drinks exceeding customers' needs and expectations. Compensation includes minimum wage + tips.

Responsibilities

- Prepare alcoholic or non-alcoholic beverages for bar and restaurant customers according to recipes
- Greet and interact with customers, answer phones, take orders, serve product, process payments, and balance cash register
- May assist in bar menu planning and daily drink specials
- Responsible alcohol service, including but not limited to validating forms of identification presented by customers and knowing the signs of intoxication
- Comply with all food and beverage regulations
- Be knowledgeable in food and beverage offerings, recipes, and daily specials. Must be able to answer questions and guide the customer by offering suggestions.
- Adhere to safety and sanitation guidelines as well as responsible alcohol serving
- Work in a fast paced team environment
- Must be able to arrive to all scheduled shifts, on time and ready to work
- Duties also include daily cleaning tasks, stocking and food preparation
- Adhere to company's grooming and attire guidelines
- Adhere to all policies and procedures

Qualifications:

- Previous experience required.
- Possess a valid California Food Handler Card which is ANSI approved
- Lifting, standing, walking and cleaning will be required
- Basic math skills and cash handling experience
- Verbal and written communication skills
- Ability to resolve conflict and work well under pressure
- Must be flexible and willing to work weekends and holidays
